

Angeles Sánchez

Dept. Applied Economics. University of Granada. Campus Cartuja s/n. 18071 Granada, Spain
sancheza@ugr.es <https://www.ugr.es/~sancheza/> <https://orcid.org/0000-0002-4985-1370>

Education

Ph.D. in Economics. University of Granada (Spain), Department of Applied Economics, 1999.
Title: "Instrumentation of the regional economic policy of Andalusia, 1946-1996: theory and practice" (Instrumentación de la política económica regional de Andalucía, 1946-1996: teoría y práctica).

B.A. in Business and Administration. Universidad Pontificia de Comillas (Madrid, Spain), 1988.

Research Interests

Construction of composite indicators and their applications to socioeconomic phenomena.

Economics of inequality: income inequality, deprivation, and poverty.

Public policies of the welfare state: European Union Cohesion Policy, economic insecurity, and subjective well-being.

Professional Experience at the University

Associate Professor. University of Granada (Spain). June 2003-present.

Assistant Professor. University of Granada (Spain). November 1991-May 2003.

Principal Investigator of the research group "Public Economy and Globalization-EPIC" SEJ393, since December 2021 (<https://epic.ugr.es/en>).

Member of Camilo Dagum/Tuscan Universities Research Centre – Camilo Dagum on Advanced Statistics for the Equitable and Sustainable Development – ASESD, since April 2023 (<http://www.centrodagum.it/en/>).

Member of the Unit of Excellence in Advanced Research in Economics and Business, University of Granada (Spain) since March 2024 (<https://fccee.ugr.es/facultad/presentacion/excelencia>).

Member of the Academic Committee of the Master's Degree in Public Sector Management and Administration of the University of Granada (Spain) since May 2022.

Awards and Honours

Prize for Doctoral Thesis in Social Sciences of the University of Granada (Spain), 1999.

Prize for the best article in the Progressive Economy Annual Forum (European Parliament).
Article: "A progressive approach to the measurement of regional performance in the European Union". Brussels (Belgium), 2014.

First Prize for the best communication in the XVI Conference on Management and Evaluation in Health (Jornadas de Gestión y Evaluación en Salud). Article: "Socioeconomic determinants of a disease. The COVID-19 experience". Granada (Spain), 2022.

"Measuring child vulnerability to poverty: Material and psychosocial deprivation" was selected as one of the three best articles for the Journal's Editor's Choice Programme, Journal Socio-Economic Planning Sciences (Elsevier), 2024.

Award for teaching innovation for the direction of the master's dissertation "Socioeconomic characteristics of poverty in Spain and Andalusia", carried out by the student Pilar Hernández. Granted by the Asociación Libre de Economía (ALDE), 2024.

Two research complements by the National Commission for Evaluation of Research Activity (CNEAI) of Spain, 1999-2009 and 2013-2018.

Five regional complements (research, teaching, and management) by the Regional Government of Andalusia (Spain).

Six teaching complements. Evaluation procedure of teaching by the University of Granada (Spain). Assessment of teaching activity EXCELLENT (97.904 out of 100), 2002-2022, Quality, Teaching Innovation and Planning Unit (University of Granada, Spain).
